*****Hillsboro Community Foundation Awards \$161,589 for Fire Relief*****

Thank you, Hillsboro!

More than 200 individuals, businesses, and community groups stepped up in support of our neighbors who were displaced by the New Year's Day fires in downtown Hillsboro. These tax-deductible contributions to the Hillsboro Community Foundation continue to provide real-time infusions of money necessary to deal with urgent and pressing welfare needs caused by the fires.

The Hillsboro Community Foundation has awarded \$161,589 in grants to our community partners Bienestar and the Hillsboro Downtown Partnership to get assistance into the hands of families and business owners. With \$30,000 in funding, Bienestar was able to relocate, secure new homes, and provide essential services for families whose homes were destroyed in the apartment fire. The Hillsboro Downtown Partnership was granted \$131,589 and is overseeing the business grant-making process as losses and needs are assessed.

Special thanks to the Hillsboro Rotary Foundation and Intel for helping launch our fundraising efforts. Businesses and neighbors rallied by conducting various fundraisers across Hillsboro. We are proud and gratified that our community came together in such a big way. Thank you.

Fire Relief donations will be accepted by the Foundation through March 31, 2022.
